**PETITIONING THE COURT**

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 04/03/2018.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

4

**Special Condition #5:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On or about April 1, 2018, Mr. Tomisser consumed methamphetamine.

On February 5, 2018, a United States Probation officer met with Mr. Tomisser upon his release from custody. Mr. Tomisser reviewed and signed the revocation judgment and sentence, which outlined the conditions of supervised release.

On April 3, 2018, Mr. Tomisser reported to the United States Probation Office and provided

a urinalysis (UA) sample which yielded a presumptive positive result for methamphetamine. Mr. Tomisser admitted to consuming methamphetamine on or about April 1, 2018, and signed a drug use admission form.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 04/03/2018.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: April 4, 2018
